

WEST OF SCOTLAND REGIONAL DESIGN & DISCUSSION DOCUMENT

RESPONSE FORM

West of Scotland Regional Design & Discussion Document and accompanying summaries have been attached.

In order to help shape the development of the Regional Design and its supporting programme of work, we would very much value your responses to the following questions.

Please state which organisation/group that this form is being completed on behalf of

NHS Lanarkshire

1) When thinking about the future of health and social care in the West of Scotland, what matters most to you?

- Developing processes and systems, working across traditional boundaries, to embed collaborative working, eliminate waste and variation that leads to addressing / improving the health inequalities of the populations we serve.

2) What do you think of the aims and ambition that we have set out for transforming health and care in the West of Scotland?

- These are bold and ambitious and NHS Lanarkshire is ready to play a full part in delivering these aims.

3) What do you think are the top three challenges for transforming health and social care in the West of Scotland?

- Ensuring that services are truly integrated, and delivery best in class care across the region
- Working Regionally to address workforce challenges in future service re-configuration
- Addressing Health Inequalities

4) What do you think needs to be done in order to meet those challenges?

- The discussion document sets out a very clear roadmap which now needs to be turned into tangible actions and milestones.

5) What do you think should be the top three priorities for delivering improvements in health and social care in the West of Scotland?

- Workforce development
- Delivering Shared Services (across Boards and Health & Social Care Partnerships)
- Delivering the Digital Platform that needs to underpin how we share information across the Region

6) How would you like to be kept informed and engaged going forward?

Regular updates and regional workshops would be helpful.

7) If you have any other comments or suggestions, please share below.

If you would like to discuss your answers with us further, please provide your name, contact phone number and/or email address below and we will contact you.

Paul Cannon, Board Secretary, NHS Lanarkshire
