Dear Anna,

**Scottish Government Response to the Sturrock Review into Cultural Issues related to allegations of Bullying and Harassment in NHS Highland**

Further to the request from the Cabinet Secretary of 20<sup>th</sup> May 2019, please find enclosed the NHS Lanarkshire response.

Whilst engaging stakeholders on the request for specific information a number of supplementary points of clarification arose.

These included:

1. How the Workforce Directorate planned to use the information collated and is there a plan to share responses from all stakeholders including Scottish Government?
2. How will the new role of Board Non-Executive Whistle Blowing Champion blend with the current arrangements within Boards?
3. How can we influence and fully participate in the Task Force?

I hope our response provides the clarification requested.

Yours sincerely,
