the proposals detailed in Section 10 of the attached paper namely:

The Co-Lead Champions should:

1. Work with others in Lanarkshire to organise a workshop to be held in late February 2020 involving staff from across NHS Lanarkshire and community planning partners to: (a) share information about of global health partnership work which is taking place and to (b) explore and decide upon the optimum model for progressing global citizenship work in Lanarkshire.
2. Continue to identify members of staff who are currently involved in global health partnerships, or have experience of participating in such partnerships, and make this information easily available.
3. Following the outcome of the workshop, establish a network steering group which would have responsibility for ensuring appropriate governance and determining the scope and scale of work to be undertaken, the prioritisation process, how resources should be obtained; consider fundraising opportunities, risk management, benefits to partnerships including NHS Lanarkshire, and how partnership work should be evaluated.
4. Explore possible partnership work with the Department for International Development by linking with Scottish Government leads and contacts in the East Kilbride office.
5. Continue to engage with lead champions in other NHS boards by attendance at quarterly lead champion network meetings.
6. Continue to engage with members of staff in the Scottish Global Health Co-ordination Unit.
7. Work closely with the Board Chair and Chief Executive to report on progress being made and to obtain guidance on further developments.
8. Develop a communication and engagement strategy and action plan
9. Provide the Board with a progress report by the end of June 2020.
