1. Introduction

This policy relates to Intranet Usage and forms part of the overall Information Security policy for NHS Lanarkshire.

2. Aim, Purpose and Outcomes

2.1 The purpose of this policy is to ensure the responsible use of the NHS Lanarkshire’s (NHSL’s) Intranet access service. Whilst NHSL recognises the human rights of all staff its policy is to treat all electronic data that is stored on its computer network including all files relating to Intranet access as the property of NHSL and it reserves the right to inspect any and all files stored in our network in order to assure compliance with this policy. An intranet is a private computer network to share information, operational systems, or computing services within an organization.

2.2 This is to:

2.2.1 Ensure that INFORMATION SECURITY is maintained
2.2.2 Ensure that confidentiality and integrity of personal and sensitive information is maintained
2.2.3 Ensure that information is available to authorised users
2.2.4 Ensure that information is not disclosed to unauthorised people
2.2.5 Ensure safe destruction of information where appropriate
2.2.6 Advise staff of their obligations to maintain information confidentiality, integrity, and availability.

This policy forms part of eHealth Information Security Management System (ISMS) and should be read in conjunction with all the IS policies.

This policy has been written in line with the best practice for information security standards ISO 27001 and ISO 27002 and the policy will be reviewed to meet future changes to this standard.

This policy has been written to comply with current legislation and the policy will be updated appropriately to suit new and/or modified legislation. The references appendix will be updated to reflect this legislation.

3. Scope

3.1 Who is the Policy intended to Affect?

This policy is intended for all NHS Lanarkshire staff to maintain information security. In the interests of clarity all references to ‘staff’ includes all staff within NHS Lanarkshire and all staff who are employed, engaged or partners within each GP practice (contracted to NHS Lanarkshire).

3.2 Who are the Stakeholders

All staff.
NHS Lanarkshire take care to ensure your personal information is only accessible to authorised people. Our staff have a legal and contractual duty to keep personal health information secure, and confidential. In order to find out more about current data protection legislation and how we process your information, please visit the Data Protection Notice on our website at www.nhslanarkshire.scot.nhs.uk or ask a member of staff for a copy of our Data Protection Notice.

4. **Principal Content**

4.1 The use of any NHSL resource for illegal activity is grounds for disciplinary action according to local disciplinary procedures and NHSL will co-operate with any legitimate law enforcement activity and NHSL will co-operate with any legitimate law enforcement activity.

4.2 NHSL retains the copyright to any material posted by any employee in the course of his or her duties. This is inclusive of the Intranet.

4.3 Sensitive Intranet content should never be openly displayed to those not authorised or required to see it.

4.4 Use of NHSL Intranet access facilities to commit any breach such as misuse of NHSL’s assets or resources, sexual harassment and misappropriation or theft of intellectual property are also prohibited.

4.5 Audits to ensure compliance with this policy may be undertaken at any time by suitable authorised personnel with or without prior notice. If there is evidence that an individual is not adhering to the guidelines set out in this policy, NHSL reserves the right to remove Intranet access and to advise the respective Line Manager of this evidence. The Line Manager will undertake the appropriate disciplinary action consistent with their local disciplinary procedures. If the person identified has unreasonable or offensive intranet access, and they are a member of a GP Practice, the practice manager will be made aware that the individual has breached this policy. Should a GP be identified regarding a severe finding and/or illegal activity, then this will be reported to the appropriate Medical Director for Health and Social Care Partnership.

4.6 If you have good reason to suspect anyone is deliberately disregarding this policy then you should report your suspicions to your supervisor, the IT Service Desk or any other member of the eHealth department. All such reports will be treated in strict confidence.

4.7 **Surveys & Discussion Forums:**

4.7.1 These features may be created and published by nominated department personnel who have been assigned the proper administrative, access permissions. Use of these features is at the
4.7.2 Creating surveys and discussion forums for inappropriate purposes or responding to them in an inappropriate manor will contravene this policy.

4.8 Social Issues and Events Section:

4.8.1 The Social Issues and Events section of the intranet is intended to encourage use of the intranet by informing staff of useful information and to promote participation and membership of various social staff events and clubs which may be of interest to staff.

4.8.2 This section may be used to advertise and promote social events including sports or hobby clubs set up by and for staff participation. Although this information may not be directly related to their jobs, action may be taken if any misuse of this section for inappropriate content.

4.9 External Contractors, and third parties including GP’s and practice staff

4.9.1 The above parties are expected to fully comply with the terms and conditions of this document whilst connecting to NHSL’s networking infrastructure. Failure to comply or a show of disregard for the terms and conditions of this document may be interpreted as a threat to compromise the security of NHSL’s computer network.

4.9.2 In such an event it would be expected that an eHealth representative would apprise the respective Line Manager (Practice Manager / Responsible Partner) of the situation. If the matter is not satisfactorily resolved then NHSL would reserve the right to terminate the individuals’ access to NHSL’s computer network with immediate effect.

4.9.3 If you have any questions or comments about this Intranet Access Policy, please contact your supervisor or IT Service Desk.
5. **Roles and Responsibilities**

Authors/Contributors: Information Security Manager, eHealth
Executive Director: Director of Information and Digital Technology & Senior Information Risk Owner (SIRO)
Endorsing Body: Information Governance Committee

6. **Resource Implications**

No resource implications

7. **Communication Plan**

To be deployed by Policy Management System.

8. **Quality Improvement – Monitoring and Review**

To be reviewed at regular intervals by Information Security Manager.

9. **Equality and Diversity Impact Assessment**

This policy meets NHS Lanarkshire’s EDIA

10. **Summary of Frequently Asked Questions (FAQs)**

N/A
