People’s Hearing, 2 March 2020: Excelsior Stadium, Airdrie, 10am-8pm.

The People’s Hearing is a structured evidence-gathering event where a panel will hear representations from members of the public or organised groups with any concerns they have about the accuracy or legitimacy of the detailed site information published at [www.monklands.scot.nhs.uk](http://www.monklands.scot.nhs.uk) about the three shortlisted potential sites for a new University Hospital Monklands – Gartcosh, Glenmavis, Wester Moffat. Participation requires prior registration and submission of written evidence and any presentation material by noon on 27 February 2020.

How to participate

1. Read the detailed information about each site at [www.monklands.scot.nhs.uk](http://www.monklands.scot.nhs.uk).
2. If you, either as an individual or representative of a community group, wish to make representations about this information, apply to take part in the People’s Hearing: email - MRP.Team@lanarkshire.scot.nhs.uk, phone - 01236 713348.
3. The Monklands Replacement Project (MRP) team will contact you to advise you about availability of a presentation slot – morning, afternoon or evening.
4. If you are participating, you must submit documents/presentation material with the evidence you wish to discuss by noon on 27 February 2020 to MRP.Team@lanarkshire.scot.nhs.uk. This will give the panel the necessary advance notice of the issues you wish to raise.

If you do not wish to appear at the hearing but would like to submit written evidence for the panel to consider, please provide this material by noon on 27 February 2020 to MRP.Team@lanarkshire.scot.nhs.uk. Please make clear in your email that you are not requesting to present this information at the People’s Hearing.

On the day of the People’s Hearing

- You must arrive at least 15 minutes before your presentation time.
- You will present to a panel which will include: an independent chair; members of the Monklands Replacement Oversight Board, a committee of the NHS Lanarkshire Board which provides oversight and assurance to the NHS Lanarkshire Board over the MRP; representatives from the MRP’s key professional advisers.
- You will have a maximum of 20 minutes to make representations to the panel. There will be a screen available for PowerPoint presentations etc.
- After you have spoken the panel may ask you questions to clarify any points.

Please note: All participant presentations will be video live-streamed online to ensure the event is available for the public to view.

The panel will assess all the evidence from the People’s Hearing and compile a report which will be used to inform the information presented at a site scoring event - a formal, objective evaluation of the site options which will be undertaken by a representative group of members of the public and NHS staff on March 10 2020.
