Our Health Together

Our new health plan is called **Our Health Together – Living Our Best Lives in Lanarkshire**

Our plan is for everyone living in Lanarkshire.

A lot has changed over the last 3 years. We want to make our services better so that everyone gets the best care possible.

Why we need your help

We want your feedback. What do you think about health services in Lanarkshire? We want to know.

We know lots of things affect your health.

Poverty affects the health of people who live in Lanarkshire.

COVID has changed how we provide health services.

What matters to you?

Can you tell us how we can change our services and make them better?

This will help us plan our services for you

We want you to tell us about

- What makes a difference to your health?
- How can we help you to stay well?
- How can we help you access our services?
- How can we help you use digital services like computers and phones to access our services?

How to get involved

We would like to hear your feedback between April and June 2023.

You can do this by emailing:

ourhealthtogether@lanarkshire.scot.nhs.uk
